1. The Board and Association recognize that changing staff requirements may necessitate the use of involuntary transfers and reassignments. 2. An involuntary transfer shall not imply or include a reduction in compensation or rank.

However, the Board, in its final determination of such transfers and reassignments, will take into consideration the preferences and requests of the effected Staff.

7. Within one (1) week after the meeting specified in C6 above, each teacher being involuntarily transferred or reassigned shall be sent a notice of transfer or reassignment with a copy to the Association President. Such notice shall specify the assignment for the coming year and shall confirm receipt of a request for a voluntary transfer or reassignment if one was filed during the meeting specified in C6 above.

ARTICLE VI

PREGNANCY LEAVE/CHILD-REARING LEAVE/ADOPTION LEAVE

I. Pregnancy Leave

- A. The teacher shall notify the Superintendent in writing of her pregnancy upon confirmation by her physician. Said teacher may request a pregnancy leave without pay and said leave shall be granted. The Board shall grant pregnancy leave without pay to any teacher upon request subject to the following stipulations and limitations:

The Board may remove any pregnant teacher from her teaching duties on any one of the following bases:

1. Her teaching performance substantially declines from the period preceding pregnancy.
2. Her physical condition or capacity renders her incapable of performing her assigned duties, which shall be deemed to exist if:
 - (a) The pregnant teacher fails to produce a physician's certificate that she is medically able to continue teaching, or
 - (b) The Board's physician concludes that she is unable to continue teaching.

If there is a disagreement between the doctors, a third neutral doctor appointed by the County Medical Society or by the two doctors themselves, can issue a final, binding opinion, or

3. Any other just cause is found to exist in N.J.S.A. Title 18A:30-1 and 42 U.S.C. Section 2000 e (k).
- B. The Board shall grant a leave of absence for medical reasons associated with pregnancy and birth to pregnant teachers on the same terms and conditions governing leaves of absence for other illness or medical disabilities, set forth in N.J.S.A. Title 18A:30-1, et seq.
- C. A teacher has the right to use any and all of her sick leave benefits during her period of disability so long as medically confirmed. The Board may require an additional physical examination, at the Board's expense, to verify the previous physician's certification. If there is disagreement between doctors, a third neutral doctor appointed by the County Medical Society or by the two doctors themselves can issue a final, binding opinion.

ARTICLE VI (continued)

- D. In the event that the pregnancy terminates prior to the expiration of the leave which has been granted, or prior to the inception of the leave which has been requested, said teacher may apply for early reinstatement by filing a written request with the Superintendent accompanied by a physician's certificate that the teacher is medically able to resume or to continue to perform their duties. The Board shall grant such a request if it has not contractually obligated itself to employ a replacement for the teacher in question during the period for which leave had been originally requested or granted, and if such a request can be fulfilled without substantially interfering with the effective administration of the educational program to which the teacher in question was assigned and seeks to be reinstated.

II. Child-Rearing Leave

- A. No later than ninety (90) calendar days prior to the anticipated delivery date, teachers shall apply to the Board of Education for Child-Rearing leave of absence without pay. At the time of the application, the teacher shall specify in writing the date on which the teacher wishes to commence leave and the date on which the teacher wishes to return to work. The Board may require any teacher to produce a certificate from a physician in support of the requested leave dates. The physician's certification is subject to agreement by the Board's physician. Where medical opinion is supportive of the leave dates requested, such leave shall be granted by the Board. If there is a disagreement between doctors, a third neutral doctor appointed by the County Medical Association or by the two doctors themselves, can issue a final, binding opinion.
- B. The Board of Education reserves the right to regulate the commencement and termination date of the requested leaves of absence in order to preserve educational continuity so long as there is not interference with the period of disability as determined pursuant to paragraph 1C of this Article. Following the grant of such leave to any teacher, the commencement and termination dates thereof may be further extended or reduced for medical reasons upon application by the teacher to the Board. Such extensions or reductions shall be granted by the Board for a reasonable period of time except that the Board may alter the requested dates upon finding that such extension or reduction would substantially interfere with the administration of the school, and provide that such date change is not medically contraindicated. The Board may require any teacher to produce a physician's certificate in support of the requested change subject to the agreement by the Board's physician.
- C. Upon return from a pregnancy/child-rearing leave of absence, the teacher shall be reinstated in a position for which the teacher is certified if said teacher returns to such position within two (2) years from the date of commencement of said leave.

ARTICLE VI (continued)

- D. The Board is under no compulsion to continue the employment of non-tenure employees beyond the contracted period so long as the non-renewal of employment is not based solely upon a condition of pregnancy or childbirth. The pregnancy/child-rearing leave period shall not be counted for tenure purposes.
- E. The Board shall be under no compulsion to hold open the same position of a non-tenure teacher on said leave, rather the return shall be predicated on positions available on the date of return and the certification of the returning teacher.

III. Adoption Leave

A teacher planning to adopt a child shall notify the Superintendent of the planned adoption as soon as practicable. Said teacher may request adoptive leave without pay and said leave shall be granted. The leave shall become effective at a date mutually agreed upon by the Board and the teacher and shall terminate not more than two (2) years after adoption. Upon the recommendation of the Superintendent and the approval of the Board, a teacher may leave at a later date or return at an earlier date than provided herewith. A. Definition

1. A grievance is an allegation that there has been a breach, misinterpretation or improper application of the terms of the Agreement; or a claimed violation, misinterpretation, or misapplication of rules or regulations, existing policies, or administrative decisions that affect the terms and conditions of employment.
2. An "agrieved person" is the person or persons making the claim.
3. The term "grievance" and the procedure relative thereto, shall not be deemed applicable to the failure or refusal of the Board to renew the contract of the non-tenure employee.
4. A "party in interest" is a person(s) who might be required to take action, or against whom action might be taken in order to resolve the claim.

B. Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the "grievance" which may arise. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing herein contained shall be construed as limiting the right of any teacher having a grievance to discuss the matter informally with the appropriate member of the administration, and having the grievance adjusted without intervention of the Association, providing the adjustment is not inconsistent with the terms of the Agreement.
3. Before a formal grievance is initiated, it is agreed that, whenever possible, it shall have been discussed and resolved through the procedure(s) covered under Article X Faculty-Principal(s) Meetings of this Agreement.

C. Procedure

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended or reduced by mutual agreement.
2. Failure to act within twenty (20) calendar days of the occurrence of complaint shall be deemed to constitute an abandonment of grievance.
3. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the

ARTICLE XIV (continued)

end of the school year, the time limits set forth herein may be reduced so the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

4. Level I - A teacher with a grievance shall first discuss it with his/her principal or immediate supervisor, either directly or through the Association's designated representative, with the objective of resolving the matter informally. A grievance to be considered under this procedure must be initiated by the aggrieved person within ten (10) school days after said discussion as contained in Part B, #2, of this article, or ten (10) days after knowledge of the events if no informal discussion is held.
5. Level II - If, as a result of the discussion at Level I, the grievance is not resolved to the satisfaction of the teacher within ten (10) school days, he/she shall set forth the complaint in writing to the principal. The principal shall communicate his/her decision to the teacher and the Association in writing within ten (10) school days of the receipt of the written complaint.

The grievant shall specify the following in his/her written complaint:

- a. The nature of the grievance
 - b. The result of the previous discussions at Level I
 - c. The reason for dissatisfaction with the previous determination
 - d. The remedies sought
 - e. The Agreement provision or the Board policy alleged to have been violated.
6. Level III - If the aggrieved person is not satisfied with the disposition of his/her grievance at Level II, he/she shall within ten (10) days refer it to the Superintendent of Schools.

The Superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) school days after receipt of the grievance. The Superintendent shall communicate his decision in writing, along with the supporting information, to the aggrieved person and to the Association.

7. Level IV - If the aggrieved person is not satisfied with the disposition of his/her grievance at Level III, he/she should, within ten (10) school days after receipt of the Superintendent's decision, submit it to the Board of Education in writing. The Board shall review the grievance, hold a hearing with the aggrieved person as requested, and render a decision within twenty (20) school days after the date of the hearing.
8. Level V
 - a. If the aggrieved person is not satisfied with the disposition at Level IV, or if no decision has been rendered by the Board within twenty (20) school days after the date of the hearing with the Board, he/she shall request in writing within fourteen (14) school days that the Association submit the grievance to

ARTICLE XIV (continued)

arbitration; a copy of such request shall be forwarded to the Superintendent. If the executive Committee of the Association determines that the grievance is meritorious, it may submit the grievance to arbitration within fourteen (14) school days after the receipt of the request by the aggrieved person. Failure to act within the prescribed time periods shall constitute an abandonment of the grievance. The affected teacher must abide by the majority decision of the Executive Committee of the Association and may not personally take the Board to arbitration following a rejection of his/her grievance by the Executive Committee of the Association.

- b. Within ten (10) school days after such written notice of submission to arbitration, the Board and the grievant or his/her designee shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association by either party. The parties shall be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.
- c. The arbitrator so selected shall confer with the Representative of the Board and Executive Committee and hold hearings promptly and shall issue his/her decision not later than fourteen (14) days from the date of the close of the hearing or, if oral hearings have been waived, then from the date the final statements and proofs on the issues are submitted to him/her. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning, and conclusions on the issues submitted. The Arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The decision of the Arbitrator shall be submitted to the Board and the Association and shall be final and binding on all parties. The cost of the services of the arbitrator including per-diem expenses, if any, and actual necessary travel, subsistence expenses, and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

D. Rights of Teachers to Representations

- 1. Any teacher may be represented at all stages of the grievance procedure by himself/herself, or at his/her option, by one mutually selected representative approved by the Association. When a teacher is not represented by the Association, the Association shall have the right to be present at all stages of the grievance procedure.

ARTICLE XIV (continued)

2. No reprisals of any kind shall be taken by the Board or by any member of the Administration against any party in interest, any building representative, or any member of the Executive Committee or any other participant in the grievance procedure by reason of such participation.

E. Miscellaneous

1. All meetings or hearings under this procedure shall be conducted in private and shall include only such parties heretofore referred to in the Article.
2. Any teacher who may have a grievance pending shall not have the right to refuse an administrative directive or a Board policy on the grounds that he has instituted a grievance. The teacher must continue under the direction of the administration regardless of the pending of any grievance until such grievance is properly determined.
3. If a grievance affects a group or class of teachers, the Association may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall commence at Level III. The Association may process such a grievance through all levels of the grievance procedure.
4. All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personal file of any of the participants.
5. Forms for filing grievances, serving notices, taking appeals, making reports and communications, and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.
